

Akron bobby-soxers swoon over Alan Freed, WAKR's "Request Review" announcer who tees off his program each Saturday night before a studio audience. A candid shot of the front row; at right, proves who comprises the majority of spectators. Bobby-soxers! Photos by Frank Goddard.

In answer to Freed's "Well, Hi ya gang!" the studio audience, consisting of students from St. Vincent's high school, responded enthusiastically "Well, Hi ya, Alan."
