

In the Loss of Your Dear  
**Father**

Deepest Sympathy

1965

Dear Children,

When lives are touched by sadness  
It helps somehow to know  
That others care—that others share  
The grief you're feeling so—  
And this message of condolence  
Comes especially to say  
That very deepest sympathy  
Goes out to you today

With our Sincere Sympathy  
Ante & Kare Poling
