Mr. Edward Davidowitz
District Attorney's Office
155 Leonard Street
New York, New York

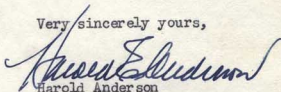

Dear Mr. Davidowitz:

Pursuant to your request, I am enclosing all files containing correspondence relating to the relationship of Mr. Alan Freed and Radio Station WINS. As we discussed yesterday, some of these files may not be pertinent to the case in point but I wanted you to have everything we have available.

As I stated to you all amount were paid directly to Alan Freed and not to a corporation or to a third party. We are still trying to ascertain who the producers and engineers were by name. Our files on this are in storage and are being examined at this time. As you suggested, we will cover the period of late '57 and early '58 in this matter. I should be able to get this information to you very early next week.

Please be assured that we are most happy and willing to cooperate with you to the fullest extent in this matter.

Very sincerely yours,

Harold Anderson
General Manager
