Frederic A. Johnson - Ju 2-7000
7CPW - House Counsel.

"A unique Performer's contract" Rather than an employee - claims he was an ind. contractor - despite the supervision exercised over him by the station other P/T contracts are employee contracts.

He would discuss most contracts as "unique Performer" contracts -

couldn't get definitive def. on this question -

There was a negative contract over Fred's things sent away -

Fred did program from his home slot - Romy Wainwright ~~help~~ worked for him on the program - very little supervision by the station -
