

Above  
St. Vincent's cheer-  
leader, Murray  
Powers, Jr., led the  
gang in a high school  
yell.

At Left  
It was Freed's first  
anniversary on "Re-  
quest Review." The  
cast feted him with a  
one-candle power  
cake. They are, from  
the left, "Little Dale"  
Hinton, program  
stenographer; Freed;  
"Danny Boy" Silver-  
man, the engineer,  
and Dean Glass, pro-  
ducer.

Freed believes that by keeping the high school students  
interested in his show he's helping to combat juvenile  
delinquency. "It gives them a place to go," he says.
