Poison Ivy

The Fifties original of *Poison Ivy* by The Coasters was one of Linda's favourites. She had a lasting affection for the doo-wop music of her youth, having spent many hours under the bedclothes with a transistor radio glued to her ear, listening to *Alan Freed's Rock 'n' Roll Show*. The song's sense of humour is typical of many from that period.

October 1987 London, England

Linda McCartney
Ian Maidman
Mick Bolton
Steve Fletcher

Lead vocal
Bass guitar, Drums, Electric guitar, Backing vocals
Piano, Keyboard, Backing vocal
Backing vocals

Produced by Linda McCartney and Ian Maidman
Recorded 21/10/87 Positive Earth Studios, London, England
