Joseph Stone, Esq.
Assistant District Attorney
New York County
155 Leonard Street
New York, New York

Dear Mr. Stone:

Right after our conversation yesterday afternoon I communicated the new date of trial in the Alan Freed case to Mr. Stephen Riddleberger, who is President of the Owned Radio Station Division of our Company, and he told me of a most important conflict of business interest which would be involved.

Accordingly, I am enclosing a letter from him addressed to you with respect to this matter. I know you are anxious to conclude the trial but I certainly hope you will be able to accommodate the Company.

Very truly yours,

Charles A. DeBare
