Mr. Joseph A. Stone, Esq., Ass't District Attorney  
155 Leonard St.  
New York City-Room 722

Dear Mr. Stone:

Enclosed please find a facsimilie of the Accounts Receivable Alan Freed account as it stands in the general ledger of the books of Gotham Broadcasting Corporation. In addition, we have enclosed a photostat of a partial analysis of this general ledger account wherein some of the transactions have been described in brief. It is quite possible that this may be of help to you.

Insofar as the payments made by Alan Freed against the charges indicated, it is very difficult to determine whether or not the checks came from him personally or from other source. Apparently, the exception is the Alpha Recording Company check which you permitted us to examine at your office.

We trust the enclosures will be of assistance to you. If you have any questions, please do not hesitate to call and we shall try to cooperate to the best of our ability and knowledge.

Very truly yours,

GO THAM BROADCASTING CORP.
