★
ABOUT THE

★ "ALBUM SPECTACULAR" ★

According to Webster's New International Dictionary, the word "spectacular" means: "of, pertaining to, or of the nature of, a spectacle or show; adapted or intended to excite wonder and admiration by unusual display". And we feel that this definition can be happily applied to a group of brand new albums being released by Coral.

We have chosen, from these albums, selections that we believe will provide you and your listeners with wonderful programming. The numbers included on this Spectacular Sampler are:

WEIM, FITCHBURG, MASS
