Dear Mr. Stone:

Enclosed please find a photostatic copy of the Alan Freed employment contract with Radio Station WQAM, Miami, Florida.

As to the additional information you requested, in behalf of the Alan Freed show which took place on November 24th there were approximately 373 spot announcements broadcast between November 6th and November 24th. As I explained to over the telephone, these announcements varied in number during the course of the broadcast day.

I hope this is the information you requested. If we can be of further service, please don't hesitate to call upon us.

Very truly yours,

Herbert S. Dolgoff
