each night

\$800 average p/w
for a 6 day week

→ withholding + SS deducted

Heed had the right to
select all records I used
provided they were on
the approved ASCAP, BMI,
etc catalogues -

Station Policy

Payroll situation -

Policy of the station was clear - no employee was permitted to receive gifts to influence his judgment -

Policy was announced via Station's reputation and past discipline against employees.

Company never knew Freed was taking payroll -

Company felt if paid Freed enough to demand a complete and impartial and dedicated employee -
