**LET US CELEBRATE!**

Welcome to the Rock and Roll Hall of Fame and Museum!  
Your presence tonight helps assure the future of the universal music that  
appeals to people from all walks of life and from all corners of the globe.

Tonight, Cleveland, Ohio is proud to host rock and roll stars,  
sports celebrities, political luminaries and international media,  
and you, our special rock and roll friends.

The artists, the music, and the lyrics that we have all enjoyed  
will now have a permanent home in this unique and spectacular building  
designed by world renowned architect, I.M. Pei.

We extend our sincere gratitude and thanks to the hundreds of volunteers  
and supporters who have participated in this effort of love  
over the past decade. Thank you, our cherished guests, for making this  
evening a once in a lifetime event.

In celebration!
